FIRST WATCH, GREEN, ATLANTIC, PACIFIC, EUROPE and ARCTIC Columns*

In each edition of *Maritime Magazine*, there are **six regular columns**: “First Watch” (**Editor’s column**); **Green Horizons** (by veteran journalist Julie Gedeon, with considerable expertise in Great Lakes/St. Lawrence and green shipping); **Atlantic Horizons** (by highly-regarded Halifax-based journalist Tom Peters); **Pacific Horizons** (written by renowned West Coast journalist Colin Laughlan); **Europe Horizons** (by veteran European shipping correspondent Nick Savvides); and **Arctic Horizons** (by award-winning journalist Carroll McCormick), covering a subject of direct interest to stakeholders involved in various markets.

*It could often be timely for an advertiser's visibility to show the flag with one of the columns.
